A capybara from the Shanghai Zoo, Mogo'o-kun (named by me). I just love how under his nose is so long. *Hufff, hufff.* But when I think that he's a rat, I don't like it so much. This photo is from almost ten years ago, so he may no longer be in this world. Rest in peace, Mogo'o. If you're still alive, I'm sorry. Er, he might be a girl.

Honorifics Explained

In this manga book, you will find Japanese honorifics left intact in the translations. For those not familiar with how the Japanese use honorifics and, more important, how they differ from American honorifics, we present this brief overview.

Politeness has always been a critical facet of Japanese culture. Ever since the feudal era, when Japan was a highly stratified society, use of honorifics—which can be defined as polite speech that indicates relationship or status—has played an essential role in the Japanese language. When addressing someone in Japanese, an honorific usually takes the form of a suffix attached to one's name (example: "Asuna-san"), is used as a title at the end of one's name, or appears in place of the name itself (example: "Negi-sensei," or simply "Sensei!").

Honorifics can be expressions of respect or endearment. In the context of manga and anime, honorifics give insight into the nature of the relationship between characters. Many English translations leave out these important honorifics and therefore distort the feel of the original Japanese. Because Japanese honorifics contain nuances that English honorifics lack, it is our policy not to translate them. Here, instead, is a guide to some of the honorifics you may encounter in our manga.

-san: This is the most common honorific and is equivalent to Mr., Miss, Ms., Mrs. It is the all-purpose honorific and can be used in any situation where politeness is required.

-sama: This is one level higher than "-san" and is used to confer great respect.

-dono: This comes from the word "tono," which means "lord." It is an even higher level than "-sama" and confers utmost respect.

-kun: This suffix is used at the end of boys' names to express familiarity or endearment. It is also sometimes used by men among friends, or when addressing someone younger or of a lower station.

-chan: This is used to express endearment, mostly toward girls. It is also used for little boys, pets, and even among lovers. It gives a sense of childish cuteness.

Bozu: This is an informal way to refer to a boy, similar to the English terms "kid" and "squirt."

Sempai/Senpai: This title suggests that the addressee is one's senior in a group or organization. It is most often used in a school setting, where underclassmen refer to their upperclassmen as "sempai." It can also be used in the workplace, such as when a newer employee addresses an employee who has seniority in the company.

Kohai: This is the opposite of "sempai" and is used toward underclassmen in school or newcomers in the workplace. It connotes that the addressee is of a lower station.

Sensei: Literally meaning "one who has come before," this title is used for teachers, doctors, or masters of any profession or art.

-[blank]: This is usually forgotten in these lists, but it is perhaps the most significant difference between Japanese and English. The lack of honorific means that the speaker has permission to address the person in a very intimate way. Usually, only family, spouses, or very close friends have this kind of permission. Known as *yobisute*, it can be gratifying when someone who has earned the intimacy starts to call one by one's name without an honorific. But when that intimacy hasn't been earned, it can be very insulting.

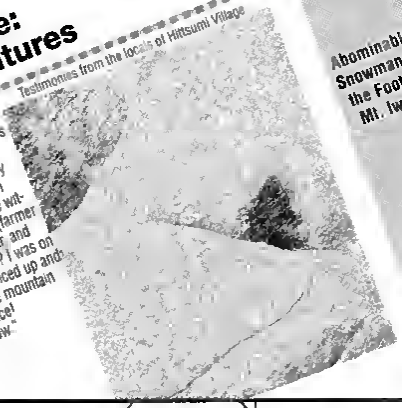
Chapter 17: Super Popular★ Hana-chan♥

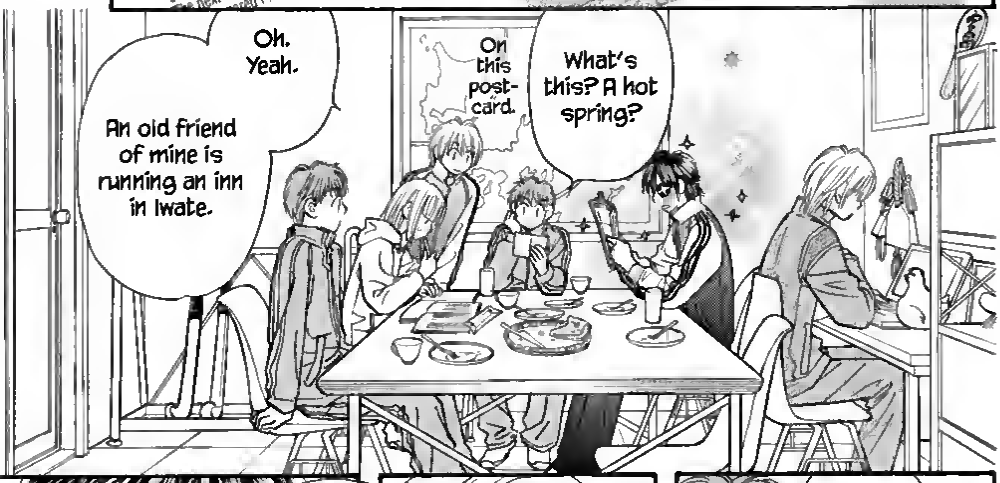
Special Feature: Unidentified Creatures

There have been multiple sightings of an unidentified creature at the ski lodge at the foot of Mt. Iwate by Skiers visiting from outside the prefecture! In all cases, it has been said that they saw a large creature moving slowly along the side of the snowy mountain, and even from far off, it clearly has the shape of a man. Among the witnesses there is a local resident, Gosaemon Takei (farmer age 68) who saw the creature four times last year, and relates, "That was some shocker, dontcha know? I was on my way back from the barn as usual, and I glanced up and saw a big black thing coming slowly down the mountain the next minute, it was howling in a loud voice! I ran for my life, dontcha know."

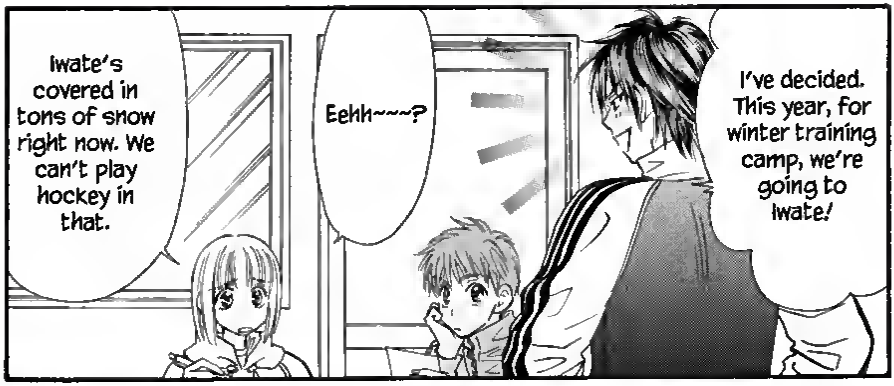
Testimonies from the locals of Hittsumi Village



Abominable Snowman at the Foot of Mt. Iwate



We haven't talked in a while, so he sent a postcard asking me to come visit, but I don't have any friends who can go when I can.
All right, let's go!
Have you heard of Hittsumi Village?
He says they're doing really well these days.
PERK up
Wow, that's an impressive inn.
Moo



Iwate's covered in tons of snow right now. We can't play hockey in that.
Eehh~~~?
I've decided. This year, for winter training camp, we're going to Iwate!

Koiwai Farm!!
Umi! Maesawa beef!
I don't care anymore.
Oh. Really.
And we're gonna meet a yeti!
What are you talking about? Everyone knows winter training camp means skiing and hot springs!

Dai-chan!
Wow, how long has it been? Seven years!?
Yeah! Since Pa escaped the white-collar world and we moved.

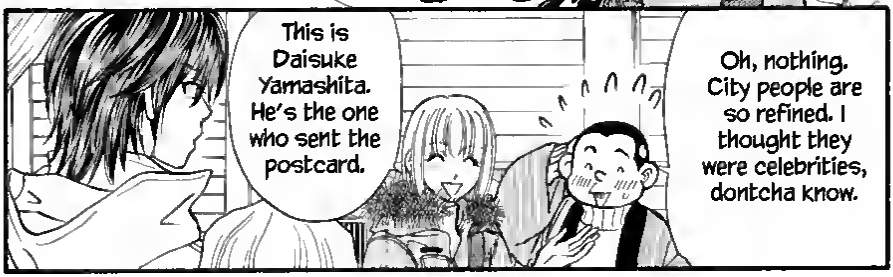
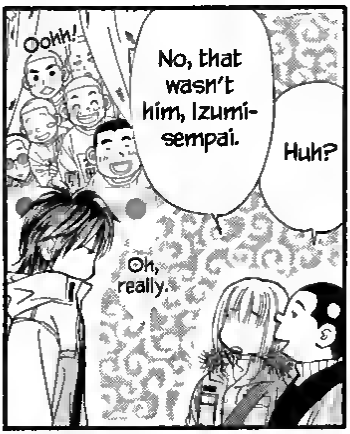
I, I see.



This is Daisuke Yamashita. He's the one who sent the postcard.
Oh, nothing. City people are so refined. I thought they were celebrities, dontcha know.



Oohh!
No, that wasn't him, Izumi-sempai.
Huh?
Oh, really.

Didn't we meet in Yamagata once?
N-nice to meet you, eh?
When we were little, he lived near my grandpa in the country, and we'd play together all the time during summer break and stuff.

A long time ago, we didn't get any customers at all.
But since the rumors started some years back about the abominable snowman, we've gotten a lot more sightseers there, dontcha know~~
Hmm, so there are a lot of curious people like Izumi-sempai.
Did you come to see the yeti?
Later I'll give you a map of the spots he's been sighted, then.

Eehh? But I can't see Dai-chan ever doing that kind of thing.
Hey, Hana.
Don't you think your attitude was way different than when it was me?
Well...
Sometimes...
What, are you saying you *can* see *me* do it!?
You took baths with him!?
Eh heh heh. Grand-pa's tub is so big~~
When we would take baths together, he would always save me from drowning when I fell asleep in the tub.
SHOCK
Please don't say so many mean things about Dai-chan. He saved my life.
Saved your life?

We were little. Kids do that all the time.
Ugh. What are you thinking?
Dai-chan is totally naive. Don't put him on your level, Izumi-sempai.
GR!
Mm-hm, mm-hm
Poor guy.
You can't be that different from when you were little.
NGH!
Figure-wise!
KEH
Izumi-sempai, look, binoculars!
We might see the abominable snowman.
Mm...!
Ah!

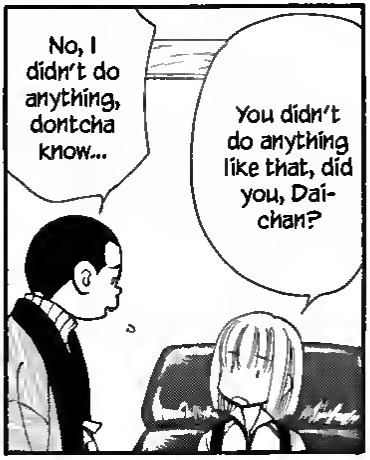
I knew it! You...!
Eh?
Hey, Hana! He really did do it on purpose!
He was about to attack you in your sleep!
Oh~~ Welcome back.
Did you see the abominable snowman?
It's just like I said!!

You're lying. There's no way Dai-chan would ever do anything like that.
I'm not lying! You all saw it, too, right!?
Well, if you tell me he was trying to kiss her, then, hmm...
But it didn't look like a very amorous scene.

Oh, no! You don't need to apologize.

But I didn't know I was doing anything that would be misunderstood.
I'm sorry, eh?



No, I didn't do anything, dontcha know...
You didn't do anything like that, did you, Dai-chan?

B-but...
Let's go, Dai-chan.
That's enough. Please stop saying bad things about my friends.

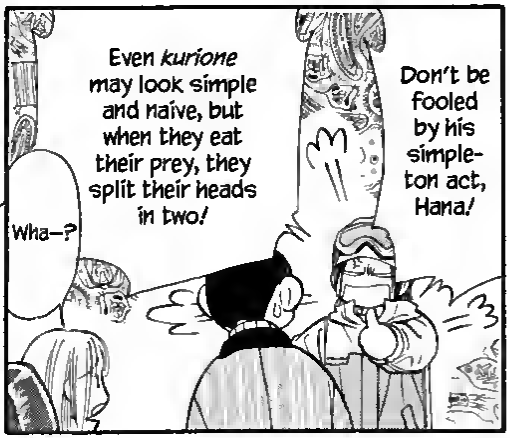
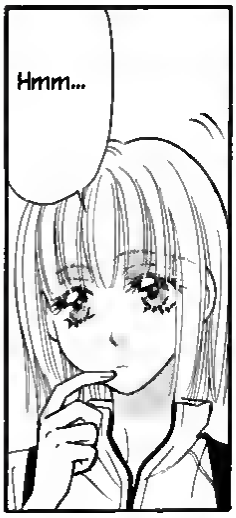
Hey, Hana!



Don't be fooled by his simple-ton act, Hana!
Even kurione may look simple and naive, but when they eat their prey, they split their heads in two!
Wha-?

LEER
Maybe we really were seeing things after all?
Yeah, he doesn't look like the type to do that kind of thing.
.....



Hmm...

It's been so long, we have so many things to catch up on, dontcha know, Hana-chan.

I'm sorry about Izumi-sempai, Dai-chan.
Oh, don't worry about it, eh.
So, would you like to come to my room then?

Oh my, my, my, my. Look at the time.
Haste makes waste.
Oh well. It's still the first day.

I'm sorry. See you tomor-row!
I'm tired today, so I'm gonna eat dinner and go to bed.
I'll pass.
B-but...
Tch.

I'll do my best again today~~

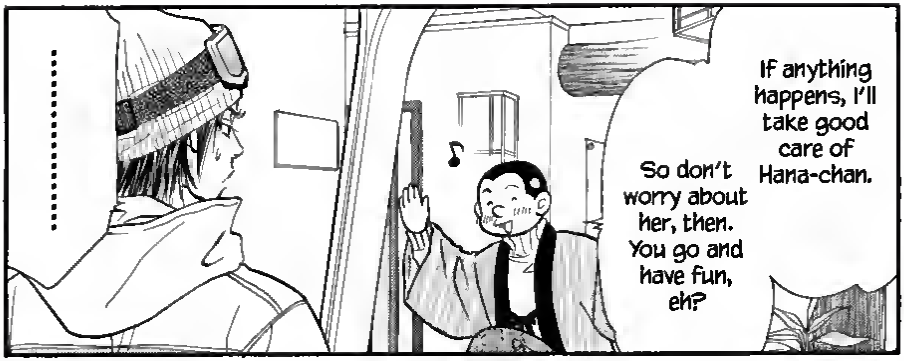
Izumi-sempai, Izumi-sempai!
Then should we go check out that area today?
A guy who was in the open-air bath with us saw him around the mountain hut!
Really!?

Will you be okay by yourself?
I'll be fine. Dai-chan's here.
Have fun.
TWITCH
I'll take care of things here...
Hana-chan, let's go!
Sore all over
Who cares anymore? I warned her over and over!
It takes all kinds.
Well, he wouldn't want to attack her, right?
Is this okay?
Well, she did seem to be in pain yesterday.
She's sore and in bed.
Huh? Where's Hana-chan, eh?
Good morning, there!

Squish
Yeah. When Hana-chan was sleeping in the field, her grandpa's tractor ran over her bottom, dontcha know.
So she's always slept anywhere.
T-tractor?
Come to think of it, before, when it would get cold, she would say that the scar she got from being run over by a tractor would hurt. I wonder if that's healed then?
I would have guessed they would be faded by now. Of course, eh?
When we went into the bath together I could still see the scars clearly.



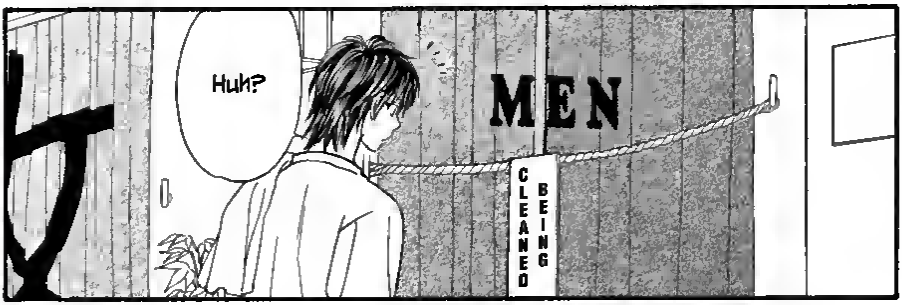
If anything happens, I'll take good care of Hana-chan.
So don't worry about her, then. You go and have fun, eh?

TURN
Right, right.
On second thought, I'll take one more bath before I go!!

We'll join you later.
I'm going to the open-air bath, too.

Huh? She's gone.
I wonder if Hana-chan went to take a bath or something.

Raaaahh! I'm alive again~~



Huh?

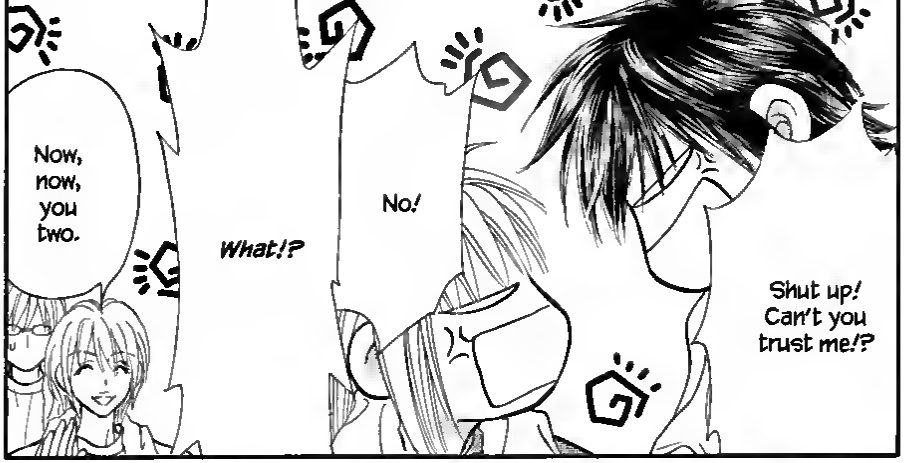
Excuse me. When will you be done clean—
ガラ
GARA

What's the matter?
Oh, it's being cleaned.
That's weird. We should be able to go in at this time of day.
I'll go ask about it.

Huh?
That voice...
Izumi-sempai?
...wh-

That's right. Dai-chan wouldn't peep.
With his face like that! How dare he!
I-it's not what you think, eh?
I told you to watch out for him!
The fence was broken. I was fixing it.
Why you—! What are you doing!!?
ERGH!
What do you mean by that?
I thought I told you to stop saying bad things about Dai-chan!
Give me a break! You're still saying that?
And it's because you're so careless that this guy thinks he can get away with it!



Now, now, you two.
What!?
No!
Shut up! Can't you trust me!?

Ah.
SNAP
Peeping on her is no different from peeping on the men's bath!
And, you!
If you're gonna peep, there are more fun things to peep at!

Hana-chan, Izumi is worried about you.
Keh.
Like hell.

Well excuse me for not being fun to peep at!
He's just like his dad!
I'm going for a walk!
I-Izumi!

On a very childish level, but...
Ways to say things...
I guess he really is worried about me, kind of.
Huh?
Even if he is worried, there are better ways to say things!

Oh...
I was so mad I forgot.
Oh.
You walk fast on snow.
You're not still sore then?
Whew.
Dai-chan.

I'm sorry. It's my fault, eh?
No, it's not.
It's started snowing.
We have to go back.
We can't!
We don't know when it'll turn into a blizzard, so it's best to stay here!
There's a mountain hut nearby. We'll take shelter there, eh?
Eh? But we're not that far from the inn...
You city people don't understand how frightening snow can be!

Nope.
It's not letting up, is it?
I wonder if everyone's worried.
If I'd known this would happen, I would have stayed in my room and slept instead of running out here...

Huh?
Hana-chan. I have a good idea, eh?
Are you cold there?
SHIVER
Yeah, a little...
Wha—?
In times like this, it's best to warm each other up with our *bare skin!*
Uh, um, hey.
Hana-chan, this is no time to be bashful, dontcha know.
Everyone does it on TV and in books.
If everyone does it, it must be the right way to go then, eh?

Why are you sweating so much?
Two...
Oh, no.
He did it on purpose!
Dai-chan?
You look like you're hot.
Come on, there. I'll take my clothes off, too, so on the count of three then!
What Izumi-sempai said might have been right...
One...
WHAM

Ugh, that Dai-chan! He looks the same as when we were in elementary school, and yet...

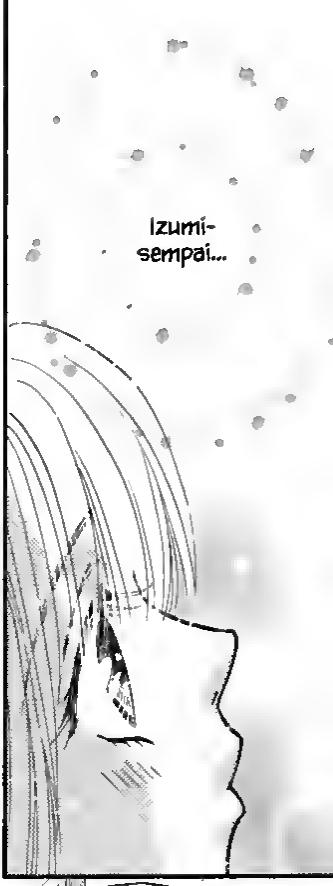
Good...!

Man, you scared me!
I hear faint voices.
Good, sounds like she's okay, eh?



Izumi-sempai...

If this keeps up, he'll take all my fun.
And we finally had a romantic atmo-sphere~~
I have to restore my likability somehow then...

I thought she was going to kill me there...!

Hey, Hana. Should we get yeti manjū after all?

It seems the abominable snowman hasn't been seen since then.
For some reason, Dai-chan wouldn't look me in the eyes once before we left.

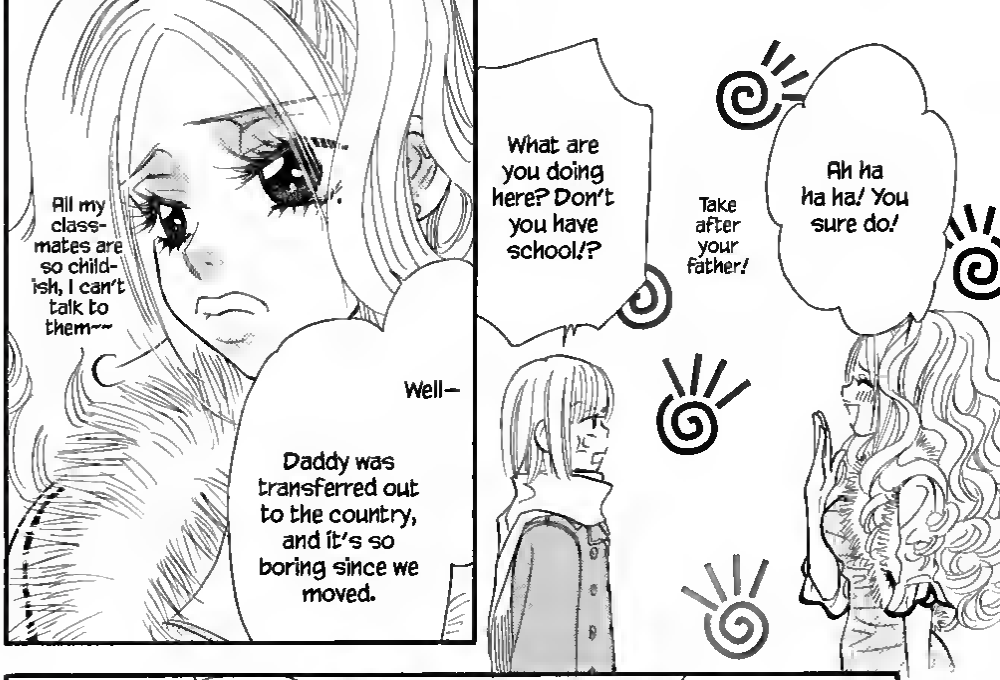
The End

Chapter 18:
Beware of Lolita!?

Yawn.
I'm tired from the P.E. marathon, so I'm going home to sleep~~
Huh? Hana, aren't you going to club?
The weather is nice today, so I wonder if Mom aired out my futon~~
Anyway, I'll sleep until dinner!
I have to hurry home before Izumi-sempai finds me.
Hana-chan!

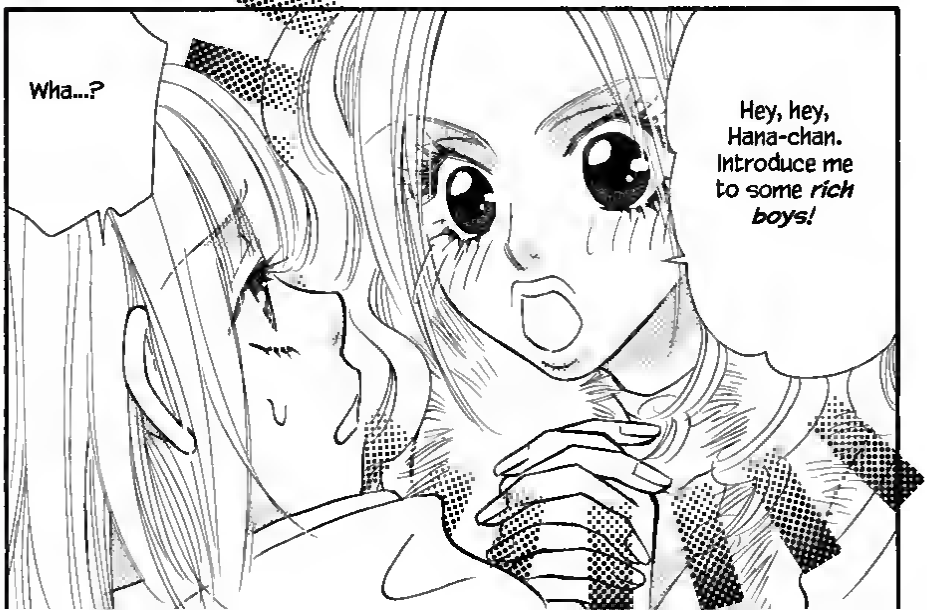
I'm so glad I found you! ♡
BAM
Auntie said you had club, so you would still be at school.
Oohh, Hana-chan. These days, you have to have a cell phone.
OOOHHH
Um...and who are you?
Her shoulders must be so stiff...
Oh, come on, Hana-chan. You're too young to be forgetting like that.
It's Mei. Mei! Your cousin!

Long time no see~~ Has it been two years?
Eeeehhh? Mei-chan!?
Eh?
Yup! Now I'm in fifth grade!
Wh-when I met you two years ago, you were in third grade, weren't you...?
You haven't changed at all, Hana-chan.
I'm a growing girl.
I-I take after my father...
Elementary school kids these days...
Y–
you've changed.

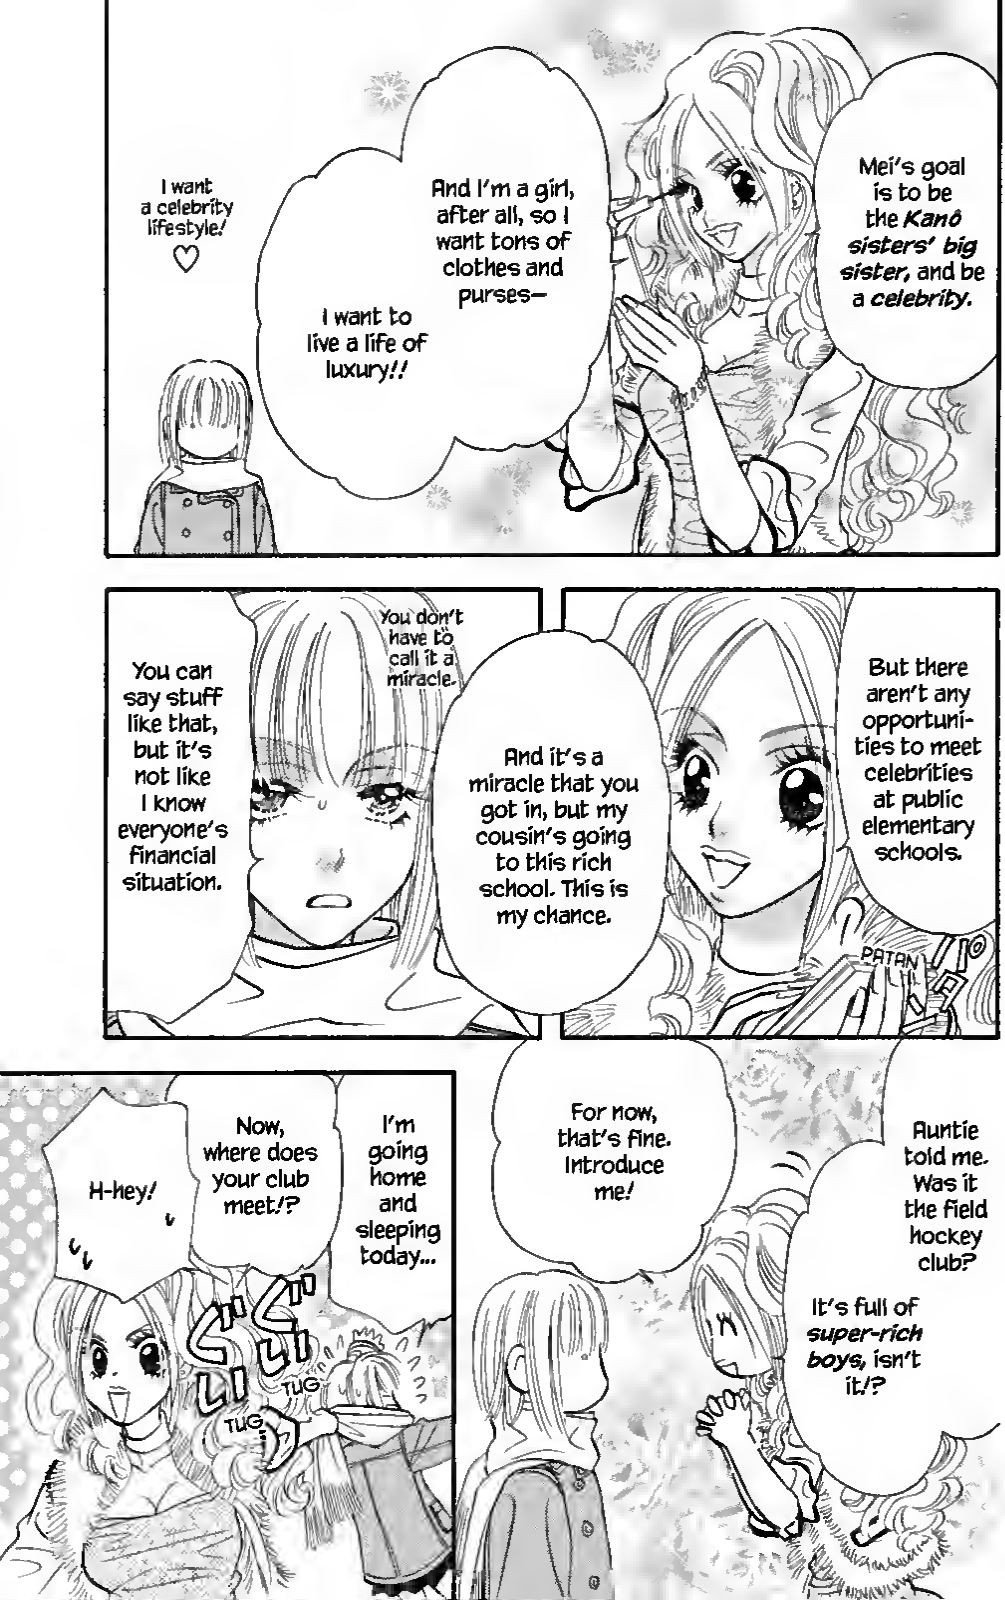


All my classmates are so childish, I can't talk to them~~
Well—
Daddy was transferred out to the country, and it's so boring since we moved.
What are you doing here? Don't you have school!?
Take after your father!
Ah ha ha ha! You sure do!

Go back right now and go to school.
A little runaway?
I got enough money for New Year's to take the *shinkansen*, so I came to visit. ♡



Wha...?
Hey, hey, Hana-chan. Introduce me to some ***rich boys!***



Mei's goal is to be the Kanô sisters' big sister, and be a celebrity.
And I'm a girl, after all, so I want tons of clothes and purses—
I want to live a life of luxury!!
I want a celebrity lifestyle!
You don't have to call it a miracle.
You can say stuff like that, but it's not like I know everyone's financial situation.
And it's a miracle that you got in, but my cousin's going to this rich school. This is my chance.
But there aren't any opportunities to meet celebrities at public elementary schools.
PATAN
Auntie told me. Was it the field hockey club?
It's full of super-rich boys, isn't it!?
For now, that's fine. Introduce me!
I'm going home and sleeping today...
Now, where does your club meet!?
H-hey!

Help me out, okay?
Yeah...
I'll hope for good snacks.
Hey, Hana?
Um, this is my cousin Mei-chan.
She came to visit.
Pleased to meet you. I'm Mei Suzuki. ♡

This is kind of annoying.
You don't have to be *that* surprised.
I don't wanna hear that from you, Izumi-sempai!
Where are you looking when you say that!?
Are you really related by blood?
Father
Eh!?
And being an elementary schooler, *she's* the special case.
I'm normal!
No way! How!?
Eeeeehh!? Cousin!?
Hana-chan's!?

Eehh? They would have figured it out soon enough anyway.
If they know I'm in elementary school, they won't see me as a romantic prospect!
You're mean, Hana-chan! You didn't have to tell them!
Elementary schooler...!??
Then she still goes to school wearing a backpack?
Eleven years old?
She's growing *too* well.
Incredible. Elementary schoolers these days.
What are the snacks for today!?
Is black tea all right?
Why don't you both have a seat?
I was just about to make some tea.
MM!
That really is incredible.

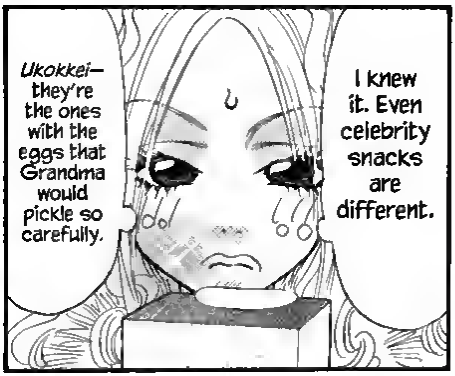
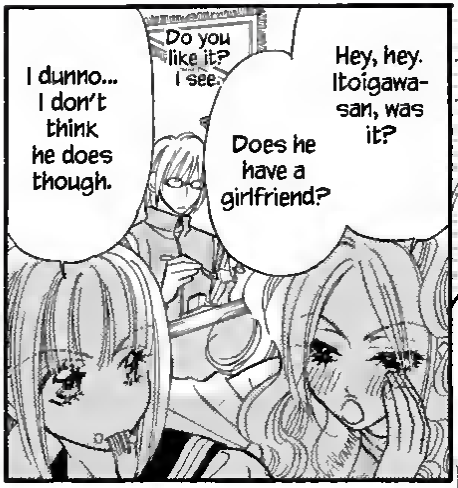
Uwaah..!

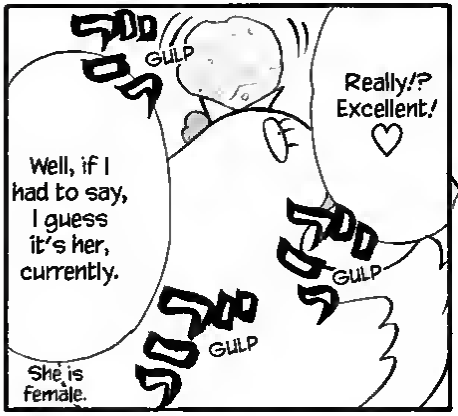


Ukokkei— they're the ones with the eggs that Grandma would pickle so carefully.
I knew it. Even celebrity snacks are different.

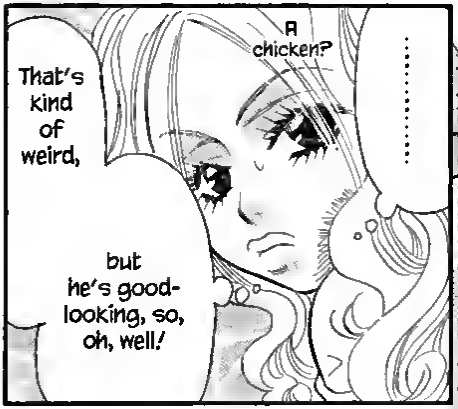
Let's see...
Hmmm, he's got a nice face, but he doesn't seem any different from the elementary school boys.
I'll buy you some more, so stop talking like such a pauper.
He's out.
Have another cup of tea.
I can't tell them apart, so no.
Mmmm/



Do you like it? I see.
I dunno... I don't think he does though.
Hey, hey. Itoigawa-san, was it?
Does he have a girlfriend?



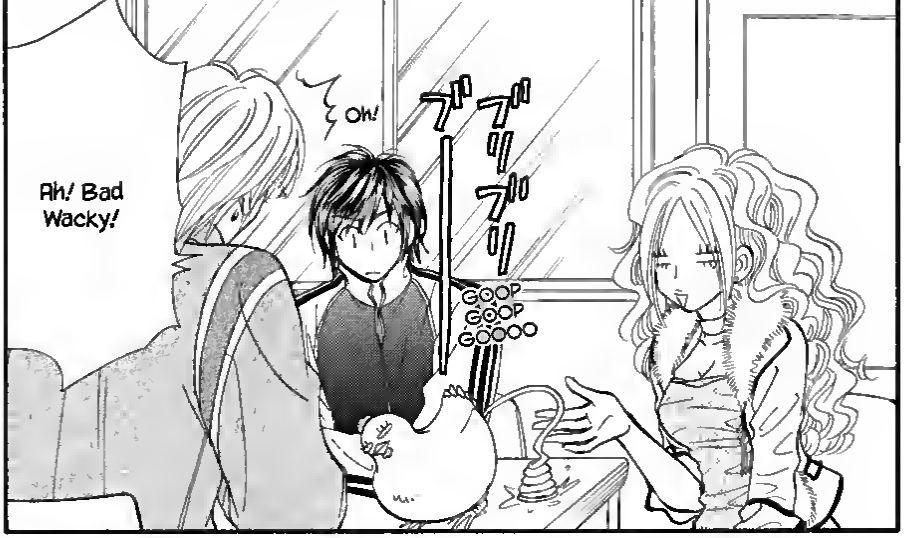
GULP
Really!? Excellent! ♡
Well, if I had to say, I guess it's her, currently.
GULP
GULP
She is female.



A chicken?
That's kind of weird,
but he's good-looking, so, oh, well!

Would you like some, Wacky?
It would be rather canni-balistic, though.
Maybe this one.
All right, I've decided...!
BAKAWK.

Aim for a celebrity marriage!
A chicken isn't much of an adversary.
Mei always gets her man.
Now, here I go!
BAM
So you're raising a chicken?
Come here, Wacky. ♡
It's okay. Animals love Mei.
Wacky. Be careful. She's shy.
She's so cute! What's her name?
Yeah, well.
That's how it turned out.



Ah! Bad Wacky!
Oh!

Sorry about that. Here, wipe it off.
MUNCH, MUNCH
That's all?
Oh, you'd better wash your hands, too.
The sink's that way.
There, all clean.

She says she's aiming to marry into a rich, celebrity family.
She's easy to read, isn't she?

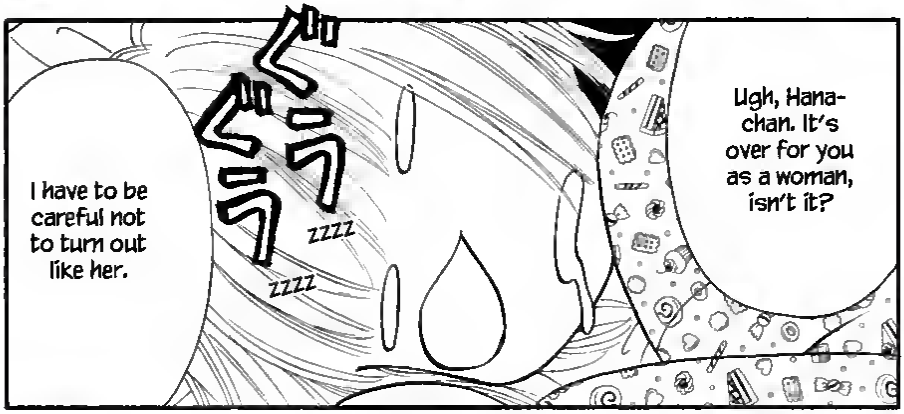
All right!
I see!
Then I just have to work hard enough for them to forget I'm in elementary school!!
Hana-chan, Mei thinks that she's pretty sexy, but...
Ooohhh, well, you're in elementary school, you know? You're outside their target range.
Suzuki Tofu

SNOOORE
Hana-chan?
Hana-chan, are you listening?
Hey, do you think this color is better on my lips?

It's not pretty!
Uwah!
This is bad! She's sleeping with her eyes rolled back!



I have to be careful not to turn out like her.
ZZZZ
ZZZZ
Ugh, Hana-chan. It's over for you as a woman, isn't it?

Itoigawa-saaaan!
BAAAAAM
Tee hee hee! I came again today.
Are you going to club now?
Can Mei go with you?
GYUUUUU

Sit down over there.
What is it?
Eh?
Mei Suzuki.
Of course he is. I'm working so hard to put up with the cold.
Here it comes. ♡
Goose bumps
.....
Yes! Today he's reacting.
I said sit.
?
Yes, sir.
How can you wear those clothes!?
An elementary school girl should not be prancing around in front of people dressed like that! Change your clothes!
Whah? These days it's okay!
BLAH

No! Don't you have something else to say to me?
It's not fine. Children may like to play in the cold, but there's a limit.
So just change your clothes!
Why is he talking about diarrhea!!?
PRIDE
That's not what I meant.
If you get too cold, you'll get diarrhea.
WHIP
Suzuki.
What are you two doing?

Mei-chan, you sure are brave. That's an elementary schooler for you.
I get cold just looking at you.
Eehh? Well, it was cold.
It's like a mobile suit...
What on earth are you wearing?
Don't praise her! You're her cousin! Raise her right!
Hey, what's that supposed to mean?
Learn from Suzuki. She doesn't have anything to hide, and she's hiding it anyway!!
I would appreciate it if you would make a habit of hiding those things.
What? I'm complimenting you.
Excuse me for not having anything!!

What is this? Hana-chan, Hana-chan, Hana-chan!
Hana-chan *has no sex appeal and has abandoned her femininity!* Why should Mei have to learn from *her!*?
Umm, Mei-chan, I haven't really abandoned it yet...
Are you saying Mei is worse than Hana-chan!?
GRRRRRR
Even Suzuki is better than an overly self-absorbed child.
Ah.

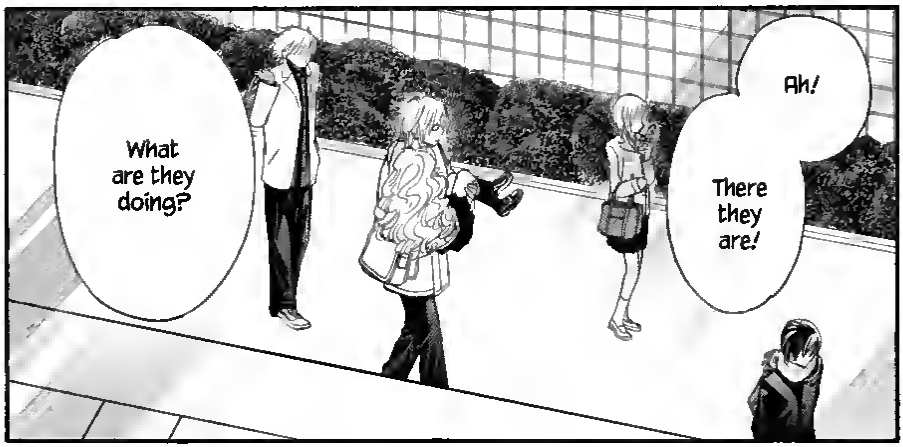
Good morning! ♡
Itoi-gawa.
Ah! There he is!
SNIFFLE
This time!
Eh?
Mei-chan did?
II-A
All right. If we see her, we'll tell her to give your uniform back.
I think at any rate she'll go to see Itoigawa-sempai, so...

It shouldn't hurt her *that* bad. I'm five whole years older than she is.
It must have been quite a shock. Having Takashi tell her she's less than Hana.
But Mei-chan sure has guts.
No, no reason.
Why aren't you saying anything?
?
.....
That's not funny.
True, true.
But she'd look more like an image club girl than a high school girl.

I thought I told you to stop dressing like that!!!
Just a...
Stop it! What are you doing!?
MURMUR
An unmarried girl shouldn't walk around like that. It'll do a world of damage and not a bit of good.
I said no! Stop it, you pervert!
Quiet! Hold still!
MURMUR

That uniform is Suzuki's, isn't it?
She'll be needing it. Give it back to her.
Where did he get the *haramaki* and wool underwear?
...hic
It hurts...
I'm not okay. Take me to the nurse's office.
That's why I told you not to stay out in the cold. Are you okay?
My stomach hurts.
What's wrong?
You should listen to your elders.
There. That's better.
How humiliating!!

He fell for it!
Ugh, you're hopeless.



What are they doing?
Ah!
There they are!

Nurse's Office

What's this? The nurse isn't in yet?
Wait here. I'll go look for her.
It's okay. I'll get better if I get some sleep.
Instead, stay with me?

Mei feels better with Itoigawa-san here.
Please?
……
No, I can't do anything if something happens. I'll go get someone.
No! Don't go!
GASHI

S-stop it! Mei Suzuki!

You can keep the *haramaki* and wool underwear, so stay warm!
If you get too cold, you'll get hemorrhoids.

You have a fever.
I told you over and over again not to show your stomach.
Hana-chan's uniform is too tight.

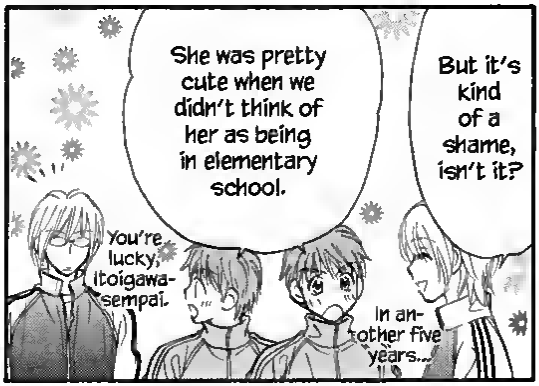
Undo the fasteners...
Fasteners?
All right, hold on.

GARA
Mei-chan, what's wrong? Are you okay!?
Eh?
Itoigawa-sempai...?
I...

I don't have a thing for animals, either!
First it was bestiality, now it's pedophilia.
But that sure was a shock.
But does that count as pedophilia?

Wow, that's great.
Yeah. And apparently she's going to elementary school like she should, too.
So Mei-chan went home?
MUNCH

Yeah, well.
It's my natural virtue.
Raahh! There you are!



But it's kind of a shame, isn't it?
She was pretty cute when we didn't think of her as being in elementary school.
You're lucky, Itoigawa-sempai.
In another five years...

Takashi-kuuuun!
Tee hee hee! Mei wanted to show you what she looks like wearing a backpack. ♡
I decided to act like a kid, just like you told me, Takashi-kun.
Well, do you like it?
I'm sorry.
She's even worse than before, huh?
Eeeehh? Why?
After becoming more childlike, it seems Mei-chan is questioned by the police even more frequently.

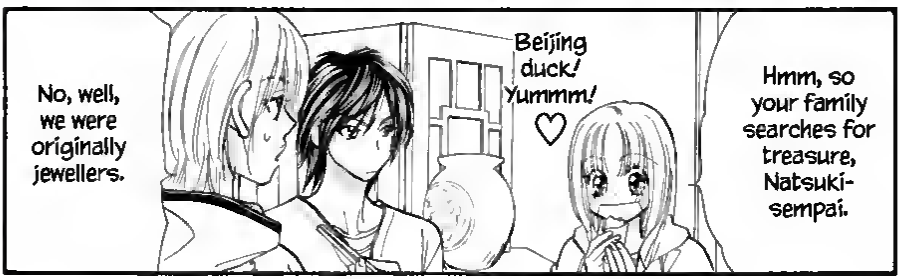
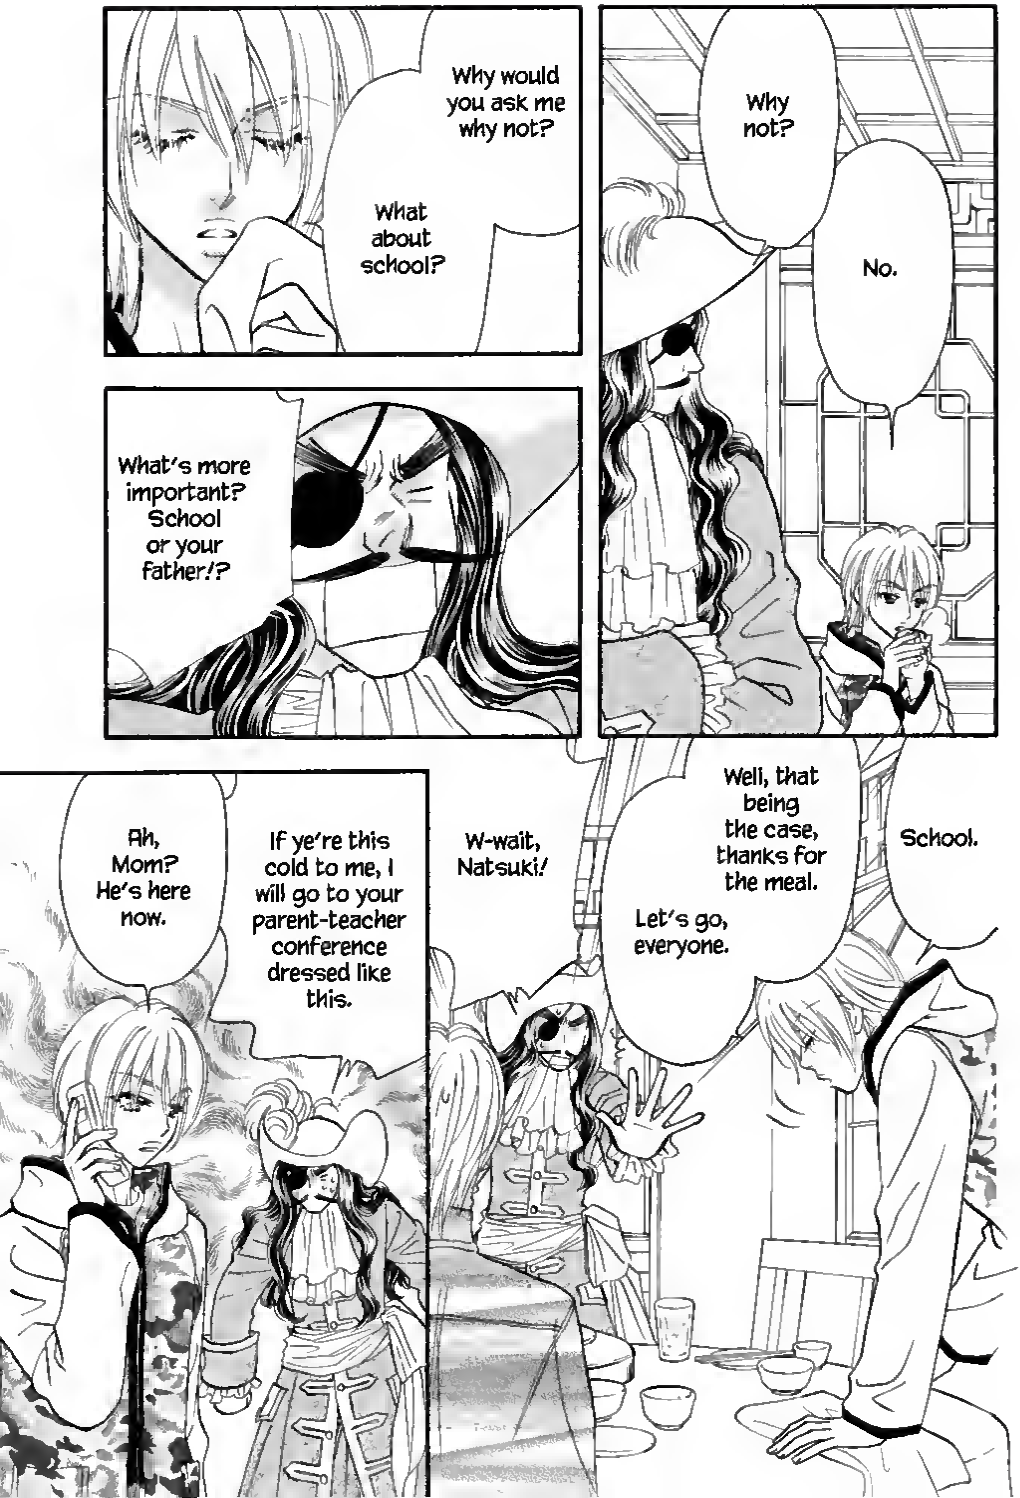
It's a man's fantasy to be salvaging treasure from sunken ships~~



No, well, we were originally jewellers.
Beijing duck! Yummm!
Hmm, so your family searches for treasure, Natsuki-sempai.

They have a store in the shopping mall at our hotel.
They own that brand.
A friend of mine was bragging about the diamond earrings her parents bought for her birthday.
I'be 'eard o' it.
They do watches and jewelry and stuff.
Hana-chan have you heard of the brand Inne?
Yeah, that's right.
Inne Serizawa.
The name of your great-grandmother, was it?
Doesn't get it.
I'll pretend I didn't hear that.
He said "our" hotel.
Hmmm.
So it wasn't a foreign brand.
You're right~~
Why don't you give it up, stop leaving Mom to do everything in the company, and come back and work?
It was practically nothing.
Ugh. What do you mean "treasure hunter"?
The one time you actually got anything was more than ten years ago.

BAM
And so, Natsuki, you will be coming with me!
Haruko-chan --> Wife
Of course you are.
If I don't find something soon, I'm in trouble.
Haruko-chan's been on me case recently, telling me to give it up and come back.
Haruko-chan?
SIGH
Wha...?
I've found nothing since you abandoned ship eleven years ago.
Thinking about it, Natsuki, you are my goddess of fortune.
I'm a guy.
I have a feeling that if you're with me, I can salvage some treasure.



Why would you ask me why not?
What about school?
Why not?
No.
What's more important? School or your father!?
School.
Well, that being the case, thanks for the meal.
Let's go, everyone.
W-wait, Natsuki!
If ye're this cold to me, I will go to your parent-teacher conference dressed like this.
Ah, Mom? He's here now.

TOSS
Bet?
If you win, I'll be good and give it up.
O-okay. Then let's make a bet!
Really?
What's the bet?
Hmmm, indeed.
That's right. Natsuki, you're in the hot springs table tennis club, right!?
Yer father has some confidence in his table tennis!
There be a Ping-Pong table on the deck of me salvage vessel!
We're the field hockey club.

Oh well. It'll work out.

I don't want to say good-bye.

Besides, it looks like they have even less stamina than we do.
Er, it looks like some of them would be better off not doing such intense exercise.

Well, maybe I kind of understand that we can't just leave her alone.
I guess I'll put out a little effort.
Hana-chan, do you mind staying with me in my room?
It's been so long since I've slept in the same room with someone, I'm excited!
Nope! ♡
And this kind of feels nice!

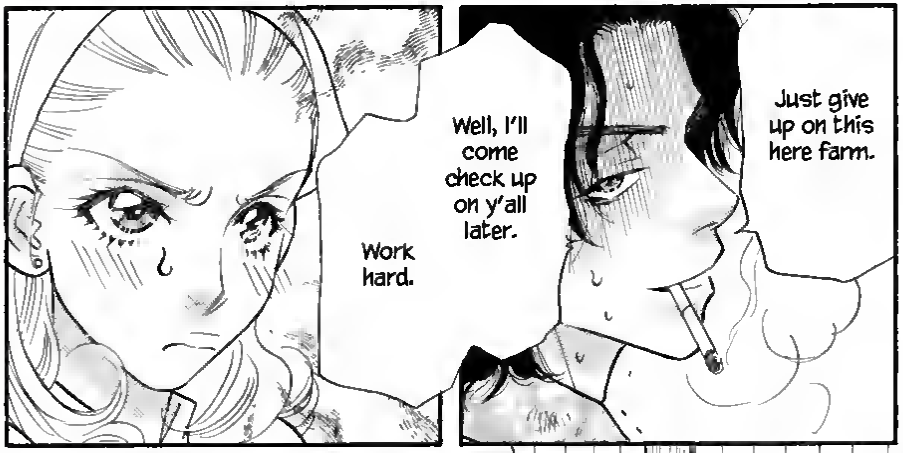
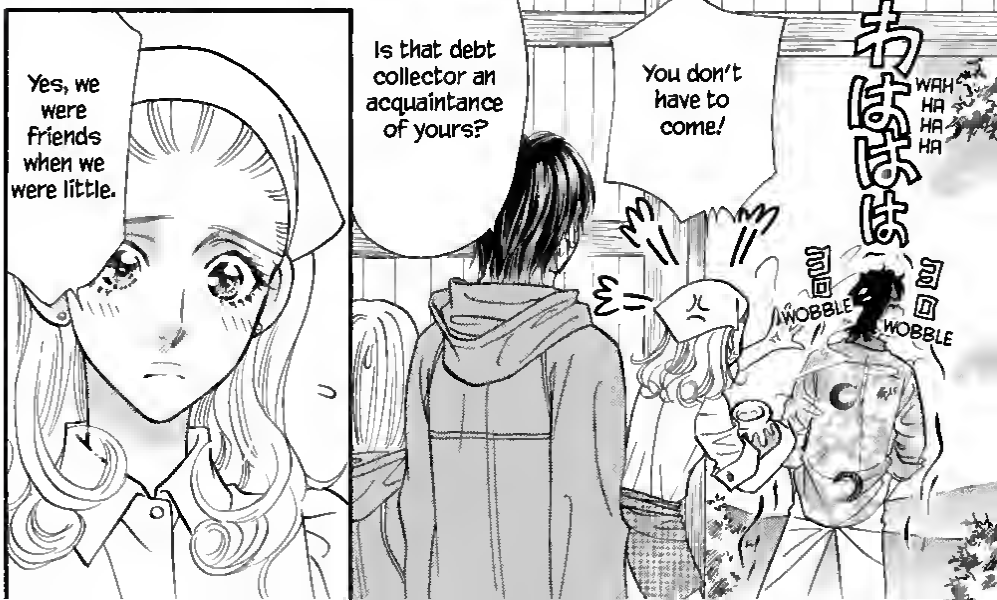
End of the holidays, huh?
What do you want?
Didn't I tell you that I would pay all of the money at the end of the holidays?

What on earth are y'all talkin' about?
What! You're the one harassing everyone so I don't have enough help, Gen-chan!



Just give up on this here farm.
Well, I'll come check up on y'all later.
Work hard.



Yes, we were friends when we were little.
Is that debt collector an acquaintance of yours?
You don't have to come!

Not really.
I don't have enough help, so I sold off some of the dairy cows.
You have until the end of the holiday. Will you be okay?
Your debts are worse than I thought.
He's been so mean to me ever since we were little!
Every day, he comes to taunt me!
He's a real creep!
And the chickens are laying fewer eggs these days.
And there's no time. We have to do something.
I see. That is a problem.

In that case, there's no problem!

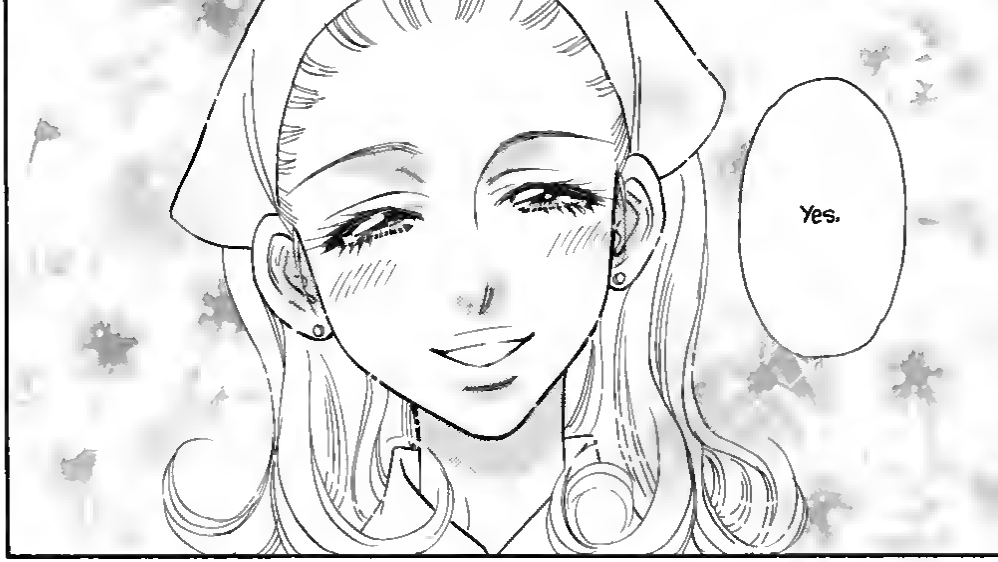
Let's do our best together.
We will work this out.



Yes.

That cake *was* delicious! ♡
I'll have Mariko-san make some cheesecake and put it on sale.
Then I'll make fliers and hand them out!
It might be good to have Takashi do his best and make it an egg farm.
It is a long holiday, so maybe people will come to the farm to experience milking cows.

An experience for the whole family! Drink some tasty milk!

This time, we won't rely on our parents' money!
But what the heck is with you guys?
I feel like normally you'd just buy the whole farm.
It's not like you.
They've progressed...
Though their motives seem less than pure.
Hmmm.
We want to do something for her through our own efforts.

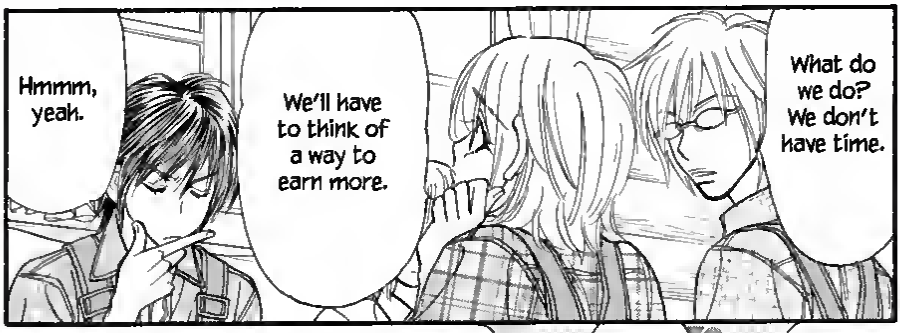
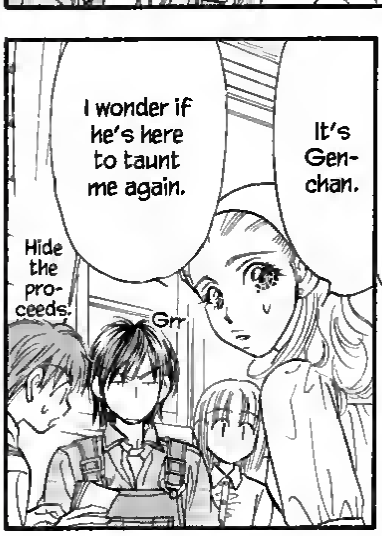
That's right. Without doing something like this, you don't understand the value of money.
It's a good opportunity.
It's enough. Really, thank you.
It couldn't be helped. We sold at low prices.





Mariko? Y'all there?

Eh...?
There's gettin' to be talk of buildin' a resort hotel here.
Seems like there'd be a good market for it.
How could you be so self-ish?
How can I pay ten million yen so suddenly?
Self-ish?
Actually, I wouldn't've minded havin' y'all move out as soon as your husband died.
I've waited long enough.

If y'all don't want to, marry me.

Translation Notes

Japanese is a tricky language for most Westerners, and translation is often more art than science. For your edification and reading pleasure, here are notes on some of the places where we could have gone in a different direction with our translation of the work, or where a Japanese cultural reference is used.

Mogo'o-kun, page iv

Mogo is the sound of munching, and *o* is a common suffix for boys' names. Morinaga-sensei probably named him while watching him munch leaves.

Koiwai Farm!!
Uni! Maesawa beef!
I don't care anymore.
Oh. Really.
And we're gonna meet a yeti!
What are you talking about? Everyone knows winter training camp means skiing and hot springs!

Uni, Maesawa beef, page 6

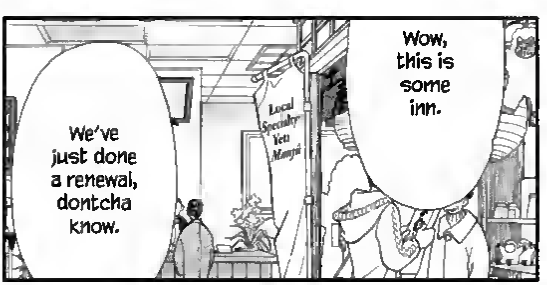
Uni means "sea urchin," and is a local delicacy of Iwate Prefecture. Iwate is also a good place to raise cattle, and the beef raised in the town of Maesawa is known for being delicious as well as low in fat.

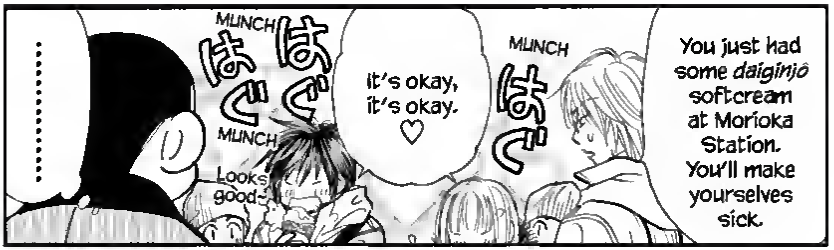
Koiwai Farm, page 6

Koiwai Farm is a dairy and egg farm at the foot of Mt. Iwate. It's also a great tourist attraction.

Manjû, page 10

Manjû are steamed yeast buns with filling. In this case, they're shaped to look like yeti.





Daiginjô softcream, page 11

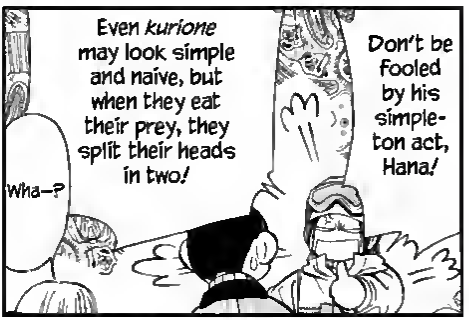
Rice-wine-flavored soft ice cream.

Bon Festival and New Year's, page 11

In Japan, the two big family holidays are the Bon Festival and New Year's. The Bon Festival is a Buddhist festival to honor one's ancestors.

Kurione, page 21

A *kurione* is a type of shellfish that lives in the waters of northern Japan. Because of its appearance, it is called the "angel of the ice floes." It surprises its prey—and then devours it quickly—with the mouth on top of its head.



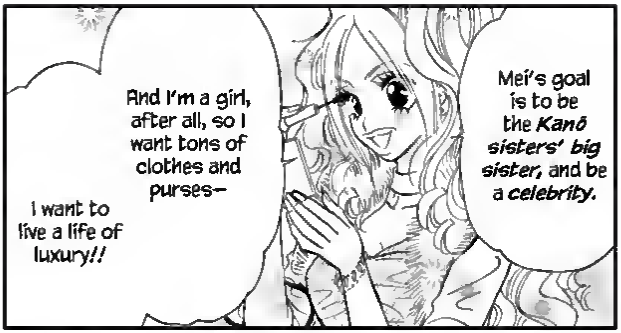
Even *kurione* may look simple and naive, but when they eat their prey, they split their heads in two!
Don't be fooled by his simpleton act, Hana!
Wha—?

Go back right now and go to school.
A little runaway?
I got enough money for New Year's to take the *shinkansen*, so I came to visit. ♡

Shinkansen, page 50

The *shinkansen* is the bullet train.

Kanô Sisters, page 51



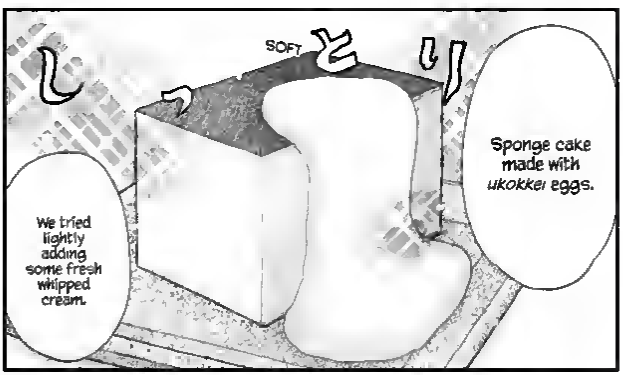
I want to live a life of luxury!!
And I'm a girl, after all, so I want tons of clothes and purses—
Mei's goal is to be the *Kanô sisters' big sister,* and be a *celebrity.*

The Kanô sisters are Japanese celebrities who claim to be half sisters, but no one knows if it's true. They also refuse to answer questions about their real ages, so it is possible for Mei to become their "big sister," despite being only eleven.

Backpack, page 55

In Japan, kids wear backpacks to elementary school, but when they get to higher education, they usually carry bookbags instead.

Ukokkei, page 56



Ukokkei, or silkie, chickens are a breed of ornamental chicken with fluffy white feathers, found in Asia. In China, their meat and eggs are thought to have medicinal properties.

Mobile suit, page 67

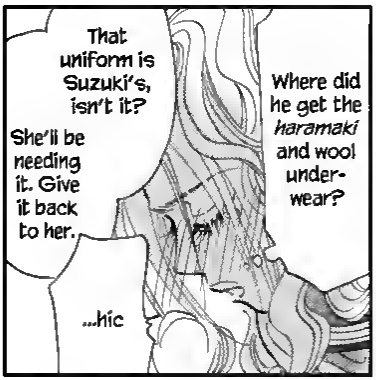
In the world of Gundam, "mobile suit" originally referred to a moving space suit used for the building of space colonies. But since that time, humanoid military spacecraft have come to be called "mobile suits" as well.

Image club, page 72

An image club is basically a cosplay brothel, or a brothel where the prostitutes dress up as nurses, maids, high school students, etc.

Haramaki, page 74

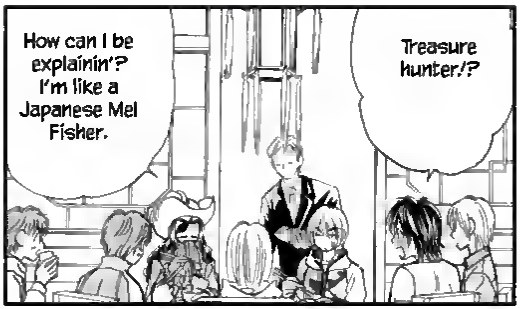
Haramaki, or stomach wraps, are used to keep the stomach warm.

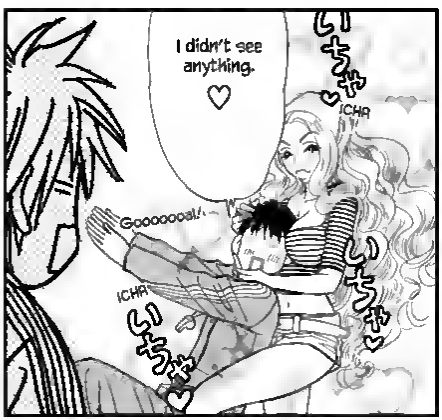


That uniform is Suzuki's, isn't it?
She'll be needing it. Give it back to her.
...hic
Where did he get the *haramaki* and wool underwear?

Mel Fisher, page 94

Mel Fisher is an American treasure hunter. He is famous for salvaging the wreck of the Spanish galleon *Nuestra Señora de Atocha*, which sunk while carrying lots of treasure.





Icha, page 114

Icha is the sound of being all over somebody in a flirtatious manner.

Natsuki's "this," page 117

The gesture Natsuki's father is making is Japanese sign language for "woman," so he's asking if Hana is Natsuki's woman, or girlfriend.
